

## TESTBOY 55

### Brake fluid tester DOT 3, DOT 4, DOT 5.1

The brake fluid tester, Testboy 55, quickly and accurately checks the water content in brake fluids DOT 3, DOT 4 and DOT 5.1. Due to different measurement areas, user-friendly operation and compact construction, it is equally suitable for use in car, lorry and motorbike workshops.

#### How you benefit:

- | Checking brake fluids DOT 3, DOT 4, DOT 5.1
- | Measurement location lighting
- | Long service life, as acid and alkali-resistant

#### Specifications
